

HAMMONDS PLAINS AREA GARDEN CLUB

Finding inspiration for outdoor living spaces

Big or small, garden bed or patio pots - you can have it all –
a beautiful outdoor space and home-grown food!

Join us on Feb 24th as Niki Jabbour,
professional garden writer, radio show host and obsessive vegetable gardener,
will be our guest speaker.

Niki is a big believer in 'Garden BFF's' and will share how to intermix veggies and flowers
in garden beds and containers.

We'll also learn to make **ice lanterns**
- embrace the cold & add magic to your outdoors!
